

*INTRODUCING*

# **DIO** **125** **X-EDITION**

---

**RIDE YOUR  
XCLUSIVE**

---

Introducing the **Honda Dio 125 X-Edition** -  
a sharper take on the iconic Dio with bold  
new design elements. Dio 125 X-Edition is built  
to make every ride exciting and effortless.

\*The Dio 125 X- Edition is available in Deluxe variant only.

# ***STYLE***

## ***ALL-NEW STYLISH & DYNAMIC GRAPHICS***

Bold, youthful graphics bring motion and attitude to the Dio 125 X-Edition.

Designed to command attention, these striking visuals give the scooter a strong street presence—standing out confidently in traffic and at every stop.

## ***X-EDITION DECALS***

Exclusive X-Edition decals reinforce the scooter's distinct identity, signalling a more aggressive and contemporary character.

---

## ***DUAL COLOUR BODY***

---

The dual-tone body treatment enhances the scooter's sporty appeal, adding depth and contrast that elevates its premium, modern look.

---

## ***ALLOY WHEELS: WHEELS THAT TURN HEADS***

---

The all new Mat Frash alloy wheels not only enhance visual impact but also improve balance and durability. Designed for confidence, they complement both city rides and daily commutes.

---

## **LED HEADLAMP & POSITION LAMP**

---

For trendsetters who own the night, the sleek LED lights provide a bright, clear view of the road ahead. And the distinctive LED lamp enhances the bold look while adding a touch of flair to your style.

---

## **LED TAIL LAMP**

---

The sleek LED tail lamp completes the dynamic rear styling while improving visibility for added safety.

## ***SPLIT GRABRAIL***

A bold, sleek grabrail that grabs attention from the first glance onwards.

## ***MUFFLER***

A thunderous sound for a thunderous entry. Dio 125's dual-tip muffler announces your arrival before you even arrive.

# ***TECHNOLOGY***

## ***TFT SCREEN DISPLAY***

The TFT meter delivers crisp visuals and clear ride information at a glance.

Designed for modern riders, it keeps you informed, connected, and in control at all times.

## ***FUEL EFFICIENCY INTELLIGENCE***

- Live Mileage Indicator
- Average Mileage
- Distance to Empty
- Eco Indicator

## ***ADVANCED IDLING STOP SYSTEM (AISS)***

Advanced Idling Stop System Engine automatically comes to a stop whenever the Dio 125 is under 21Kmph, saving extra fuel in heavy traffic.

## ***POWERFUL 125cc ENGINE***

Top-tier power and acceleration to make rides exciting.

## **PGM-FI** FUEL INJECTION

The PGM-FI system optimizes fuel and air for efficient combustion, ensuring steady power and better mileage.

## **SILENT START WITH ACG**

The ACG Starter provides a smooth, silent start every time, and reduces engine maintenance.

The background of the advertisement is a close-up of a car's open glove box. On the left side of the glove box, a smartphone is placed vertically, showing the time 16:50 and the date Wed Dec 31. On the right side, a white USB Type-C charging cable is plugged into a built-in port. The glove box interior is dark, and the surrounding car body is a light grey color. The entire image is overlaid with a large, stylized 'X' shape made of blue and white lines that create a sense of depth and focus on the features being advertised.

# ***RELIABILITY & COMFORT***

## ***OPEN GLOVE BOX***

An open glove box that's amazingly spacious. So, whether it's your sipper or sunglasses, keep all your essentials close.

## ***USB TYPE-C CHARGING PORT***

With the built-in USB Type-C charger, never ever worry about your phone's battery running out.

A close-up photograph of a Honda Dio scooter's handlebar area. The image is split into two main sections by a diagonal line. The top section shows the fuel tank with a silver, double-lid external fuel fill. The bottom section shows the handlebar controls, including a black passing switch with three positions: high beam (three horizontal lines), low beam (two horizontal lines), and a 'PASS' position (indicated by a small triangle). The Honda logo is visible on the left side of the fuel tank.

## ***DOUBLE LID EXTERNAL FUEL FILL***

Now no need to get up to get your  
Dio refilled with a double-lid  
external fuel fill.

## ***PASSING SWITCH***

Pass like a boss with an easy-to-use  
passing switch for high beam,  
low beam, and passing with a flick.

The background of the entire page is a dark blue, textured surface with a perspective effect, creating a sense of depth. Two bright, glowing white lines intersect in the center, forming an 'X' shape that divides the page into four quadrants. In the top-left quadrant, there is a close-up of a motorcycle's side stand mechanism, showing a black metal frame, a coiled spring, and a blue and yellow adjustment knob. In the top-right quadrant, there is a close-up of a motorcycle's front wheel and suspension. The wheel has a red alloy rim and a black tire. The suspension is black, and a blue fender is visible above the wheel. The text 'X-EDITION' is partially visible on the side of the motorcycle's body.

# ***SAFETY***

## ***SIDE STAND ENGINE CUT-OFF***

It automatically shuts off the engine for added safety when the side stand is engaged.

## ***TELESCOPIC FRONT SUSPENSION***

Say goodbye to bumpy rides! Our telescopic suspension features dual hydraulic shock absorbers with internal coil springs, designed for minimum vibrations, maximum comfort.

## ***FRONT DISC BRAKE***

High-performance disc brakes fitted in sleek alloy wheels, perfect for those who like to stay stylishly in command.

# TECHNICAL SPECIFICATIONS
